FRESH BERRIES

FROM YOUR OWN GARDEN

Raspberries

LATHAM. The best of the red raspberries. Strong vigorous grower with very high quality fruit. Good for table use and canning.

CHIEF. The earliest of the red raspberries. A good berry of medium size. Plants are especially hardy.

SUNRISE. A new berry from the U. S. Dept. of Agr. It is earlier than Latham, of fine quality and quite disease resistant. A fine berry to have in your garden.

CUMBERLAND. A fine quality black-cap. Strong, vigorous grower and heavy producer. Most commonly planted of all black raspberries.

LOGAN. This a new variety of black-cap, but very similar to Cumberland. The fruit is possibly a bit larger and comes a little earlier than Cumberland.

PLUM FARMER. An old variety and a fine one for the home garden.

SODUS. A new Purple-cap of unsurpassed vigor and hardiness. The fruit is large, medium purple in color and very fine in quality. It is an exceptionally heavy bearer and a presistant bearer, rarely failing to produce a crop.

COLUMBIA. A purple-cap of many years standing. Not as vigorous as Sodus, but never-the-less a producer of fine fruit.

To Our Customers!

Coe, Converse & Edwards Co. is an old and well established nursery.
We are proud of the fine record made by this firm in the years past. The
growing of choice nursery stock is an art and science and we are proud
or our fields of growing plants and trees. A cordial invitation is offered
to everyone to visit the nursery and to inspect our many acres of nurs-
ery stock. A new era of business activity is before us and it is our
hope to serve our customers with as fine a selection of nursery stock
which will be as well grown and reasonably priced as can be had any-

where.
Inquiries relative to landscaping of residences or any other type of
property are solicited. We offer in this capacity the services of Lau-
rence G. Holmes, a landscape architect of wide experience.
